When and why should I use the report button?

Ismini - 2021-07-02 - Online kurser

Please use the report button to file a report, which will be investigated by the course team. If the work or review is not compliant with the instructions, the participant you reported may be denied the course certificate, to ensure the same standards are maintained for everyone in the course.

To learn how to use the report button, step-by-step video:
