Can any user add an online course to the course catalogue?

Ismini - 2020-01-30 - Teacher Academy online courses (MOOCs)

Online courses on Teacher Academy are all centrally organised at the level of the School Education Gateway. Therefore, it is currently only possible for School Education Gateway admins to publish new online courses. All users (course providers) can still publish their on-site courses in the usual way according to the [Terms & Conditions](#).
