Can you help my school to fill in the Erasmus+ application?

Ismini - 2020-01-30 - Erasmus+ funding opportunities and applications

Unfortunately, the School Education Gateway cannot offer such support. Please contact your [National Agency](#) to see what support they provide.

You may find it useful to explore the [database of accepted Erasmus+ projects](#) to gather tips and ideas for your own application. Please note that the online course [Erasmus+ funding opportunities for schools](#) created by School Education Gateway provides tips and practical examples to schools interested in the Erasmus+ Programme.
