How can I propose content to the School Education Gateway?

- 2021-08-30 - Editorial content (articles & videos)

Do you have interesting content you would like to see published on the School Education Gateway? Use [this online form](#) to send us content suggestions. Before sending, please have a look at our content types and [monthly topics](#). If you would like to suggest content for a specific monthly topic, please send it three months in advance. Unfortunately, we can't publish all suggested content, but the editorial team goes through all suggestions and will inform the senders whether the material is selected for publishing. We also reserve the right to edit any submitted content prior to publication.
