I want to offer a course that takes place several times.
Should I post it several times on the Course Catalogue?

- 2021-08-26 - Publishing a listing

If you are organising the same course on different occasions, you need to create the course only once in the Course Catalogue. To add several dates, use the 'multiple sessions' option. You will find instructions on how to do this in the [Erasmus+ Tools Tutorial \(page 17\)](#).
