Some section titles have different colours than the rest. Why?

Ismini - 2020-01-31 - Teacher Academy online courses (MOOCs)

If a section's title is **red**, that means it is an important activity (like a quiz or a peer review) that you should not miss if you wish to receive the course certificate.

If a section's title is **orange**, that means it is optional and does not count toward passing the course. This often applies to live events (webinars, TeachMeets, Twitter chats, etc.).
