What are the Erasmus+ Tools?

- 2021-08-30 - Erasmus+ opportunities

[Erasmus+](#) is the European Union programme for Education, Training, Youth, and Sport for 2021-2027. It offers schools and other organisations funding opportunities, including support for training courses and teaching assignments for professional development, or for the development of project partnerships. The tools available on the School Education Gateway have been designed to support specific Erasmus+ activities and can be found in the [Erasmus+ Opportunities](#) section.

The three tools and related Erasmus+ projects are:

- [Course Catalogue](#) - A dedicated catalogue of professional development courses for school teachers and staff (Mobility project for school education staff under Key Action 1)
- [Mobility Opportunities](#) - Opportunities for school staff to undertake teaching assignments and job shadowing in a host school/organisation abroad (Mobility project for school education staff under Key Action 1)
- [Strategic Partnerships](#) - Partner search for schools and organisations across Europe to carry out joint projects (Strategic Partnerships under Key Action 2)
