What is the Teacher Academy on the School Education Gateway?

- 2021-08-30 - General

The [Teacher Academy](#) is a single point of access to professional development activities, including:

1. A service of free [online courses](#) specifically made for School Education Gateway. The work programme of the Teacher Academy's online courses is supported by the [Pedagogical Advisory Board](#).
2. The hugely popular [on-site courses](#), which have already helped European teachers to meet their training needs. Costs of participation in the courses can be supported with Erasmus+ funding (Key Action 1: Mobility project for school education staff).
3. [Webinars](#): bite-sized learning events on the School Education Gateway monthly topics and beyond.
4. Versatile [teaching materials](#) created by the EU institutions and EU-funded projects.

Both online and on-site courses are available in the Erasmus+ [course catalogue](#).
