The review I received in Step 3 is not constructive / not compliant with the instructions. What should I do?

Ismini - 2020-01-31 - Évaluation par les pairs et exercices

Please use the report button to file a report, which will be investigated by the course team. If the review is not compliant with the instructions, the participant you reported may be denied the course certificate, to ensure the same standards are maintained for everyone in the course.
