## How do I earn a course badge and certificate? And where can I find them?

Jelena - 2021-07-05 - Tanúsítvány

Getting the certificate has one requirement: getting the course badge. **In order to be awarded the course badge, you usually need to visit all modules and complete the final peer-review activity.**

You can download your digital certificate by going to the School Education Gateway homepage, clicking the blue button with your name on the top right, then going to *My Profile* > [Courses](#) > *Online courses*.
