Can I receive formal credits for participating in the Teacher Academy courses?

Jelena - 2021-09-09 - Vottun

Whether or not the final course certificate is recognised by your Ministry of Education or other accrediting organisations depends on each country.

In most cases the certificate will not yet be formally recognised, but we are working with ministries and universities to ensure that teachers get the recognition they deserve for completing our courses. Find out more about [accreditation in your country or region](#).
