How do I enrol in an online course in the Teacher Academy?

Jelena - 2021-07-15 - Skráning og innritun

To enrol in an online course, you first have to register as a user on the School Education Gateway platform. If you find this difficult, please see the [tutorial](#). Once you created your user account and logged in, go to the [Teacher Academy](#) to see the available online courses. Select the course and go to the “Course webpage”, where you can click on the button “Enrol now”. If you don’t see “Enrol now”, check that you are logged in.
