To get more information on a course/mobility opportunity/strategic partnership listing, you need to get in touch with the organisation that has posted the listing:

- Use the direct Contact form (**login required**) which is provided on the right-hand side of the listing page.
- Go to the website of the organisation that has posted the listing.

Please note that the School Education Gateway does not offer on-site courses, mobility opportunities or strategic partnerships itself, but only provides the tools for schools to do so.
