Why can't I export my badges to my Badgr Backpack?

Ismini - 2021-01-04 - Sertifisering

In order to export your badges to Badgr Backpack, the email address of your School Education Gateway account needs to be linked to your Badgr account.

To add the email address of your School Education Gateway account to your Badgr account, [go to your Badgr profile](#). From there, you can click on the button 'Add Email' and follow the indicated process.

Once your email address is listed, please try the export again.

If you need further information about or assistance with managing your Badgr account, please visit the [Badgr support pages](#).
